

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

****PLEASE LIST THE FOLLOWING:**

1. Name of Agency. **Public Utilities Commission**

2. Person who has reviewed the material to be incorporated into the agency's rules:

Name:	Karen Cramton	Title:	Director, Sustainable Energy Division
Address:	NHPUC, 21 South Fruit Street, Suite 10 Concord, NH 03301	Phone #:	603-271-6012

3. Specific rule number where the material is incorporated: **Puc 2505.02(d)(15)d and Puc 2505.04(k)**

****PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.

5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.

6. How the material incorporated can be obtained by the public (include cost and the address of the party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).

7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

****PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date: December 18, 2017

Signature: 

Name: Martin P. Honigberg

Title: Chairman

*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)

Rulemaking Notice No. 2017-131
Puc 2500, Electric Renewable Portfolio Standard
Rules of the Public Utilities Commission
Final Proposal

- (4) Puc 2505.02(d)(15)d and Puc 2505.04(k): “Emission Controls for Small Wood-Fired Boilers,” May 6, 2010, prepared for the United States Forest Service, Western Forestry Leadership Coalition, by Resource Systems Group, Inc.
- (5) The Commission did not modify the text of any materials incorporated by reference.
- (6) A copy of the “Emission Controls for Small Wood-Fired Boilers,” May 6, 2010, prepared for the United States Forest Service, Western Forestry Leadership Coalition, by Resource Systems Group, Inc., can be obtained from the Western Forestry Leadership Coalition, 2850 Youngfield Street, Lakewood, CO 80215. It is also available at:
http://www.biomasscenter.org/images/stories/emissions_rpt.pdf.
- (7) The Commission did not reproduce the incorporated materials in full in the rules because the incorporated materials are extensive and voluminous (39 pages) and have a relatively small role in administration of the Puc 2500 rules. All incorporated materials are available on the internet or are available for review at the Public Utilities Commission at no cost.

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

****PLEASE LIST THE FOLLOWING:**

1. Name of Agency. **Public Utilities Commission**
2. Person who has reviewed the material to be incorporated into the agency's rules:

Name:	Karen Cramton	Title:	Director, Sustainable Energy Division
Address:	NHPUC, 21 South Fruit Street, Suite 10 Concord, NH 03301	Phone #:	603-271-6012

3. Specific rule number where the material is incorporated: **Puc 2506.03(a)**

****PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.

5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.

6. How the material incorporated can be obtained by the public (include cost and the address of the party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).

7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.
