FROM: Michael Ladam, Director, Regulatory Innovation and Strategy

SUBJECT: DT 16-838, MCImetro Access Transmission Services, LLC: Tariff Revisions

TO: Commissioners
Debra Howland, Executive Director

CC: David Wiesner

On October 28, 2016, MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services ("Verizon Access") filed a revision to its New Hampshire rate schedule. Since Verizon Access charges other telephone companies for intrastate access, this rate schedule is considered a tariff under New Hampshire law and rules. Verizon Access claimed an effective date of November 1, 2016 for this revision.

This filing changes only the company name: from the earlier MCImetro Access Transmission Services LLC to the new MCImetro Access Transmission Services Corp. No rate elements, terms, or conditions have changed.

Pursuant to RSA 378:6, IV, this tariff revision took effect on November 27, 2016.
