RE: DM 16-841, Consolidated Edison Solutions, Inc. ("ConEdison Solutions")
Petition to Withdraw/Abandon CEPS Registration

Dear Secretary Howland:

By letter dated June 4, 2018, Consolidated Edison Solutions, Inc. ("ConEd Solutions") filed to withdraw/abandon its CEPS registration in New Hampshire. In compliance with the requirements of PUC 2003.08, ConEd Solutions now files the following supplemental information:

1. ConEd Solutions customers were transitioned over to Constellation NewEnergy ("CNE") during a conversion event on November 17, 2017. Effective on that date, all NH ConEd customers were served by CNE. Although a small portion of customers continued to be billed under the ConEd Solutions DUNS number until May 2, 2018, this affected billing only. ConEd Solutions has not served NH customers since November 17, 2017, more than the required 120 day period.
2. ConEd Solutions has complied with the applicable provision of PUC 2004.13 as all NH customer accounts were transferred to CNE.
3. A sample copy of the transfer notice provided to customers is attached. Note, ConEd Solutions did not serve any mass market customers in NH, thus the only notice was provided to C&I customers.

Please do not hesitate to contact me with any questions regarding this petition. My telephone number is 412-913-8407 and my email address is colleen.kartychak@constellation.com

Sincerely,

Colleen Kartychak

In September, ConEdison Solutions' retail electricity customers became part of the Exelon family, joining Constellation's retail business. Today, we are pleased to announce that effective immediately you will start to see communications directly from Constellation, who is serving as agent to ConEdison Solutions, until the contracts are officially assigned to Constellation NewEnergy, Inc. later in the year.

We look forward to providing you with the same superior customer care you have come to expect as a ConEdison Solutions customer, plus offer added products and services to enhance your customer experience.

For customers previously billed by ConEdison Solutions, you may notice a change to the name/logo on your invoice coincident with Constellation system changes according to your location, based on the below schedule. Utility-billed customers will notice the Constellation name and/or logo on those invoices on a similar timeline. A separate notice of assignment letter will be sent to you in advance of your exact contract conversion date.
