Pursuant to your Order of Notice dated 12/27/16 that states on p. 2 that “the deadline for submission of materials in writing **or by e-mail** shall be January 27, 2017” as well as the Rulemaking Register Notice of 12/22/16 that states: “Deadline for submission of materials in writing **or, if practicable for the agency, in the electronic format specified: January 27, 2017**” with the email box checked (emphasis added), we presume that filing only in electronic format without papers copies being delivered today is acceptable for proper filing and consideration of our comments.¹
