Re: Rulemaking Notice 2016-233
Puc 2000 Competitive Electric Power Supplier and Aggregator Rules
NHPUC Docket No. DRM 16-853

Dear Mr. Eaton:

Pursuant to RSA 541-A:40, IV, the Public Utilities Commission hereby requests waiver of the deadline and extension of the period for filing a final rulemaking proposal with respect to the revision of N.H. Code Admin. Rules Puc 2000, the Commission's Competitive Electric Power Supplier and Aggregator Rules. The 150-day period for filing of that final proposal under RSA 541-A:12, I would expire on May 21, 2017 in the absence of such a waiver and extension.

The Commission believes good cause exists for a waiver and extension of said deadline for a period of sixty (60) days, until July 20, 2017, because of the number and complexity of substantive comments received from interested stakeholders and the significant issues to be determined by the Commission through the rulemaking process, as well as the effects of the Governor's moratorium on rules adoption and amendment that was in effect earlier this year.

Thank you for your attention to this request. If you should have any questions regarding this filing, please contact Staff Attorney David Wiesner, as contact person for the Commission.

Sincerely,

A handwritten signature in black ink, appearing to be "MH", written over a horizontal line.
