**Re: Rulemaking Notice 2016-233
Puc 2000 Competitive Electric Power Supplier and Aggregator Rules
NHPUC Docket No. DRM 16-853**

Dar Attorney Eaton:

On December 9, 2016, the Public Utilities Commission filed a rulemaking notice with respect to the readoption with amendments of Puc 2000, its rules regarding competitive electric power suppliers and aggregators.

A public hearing on the Initial Proposal was held on January 19, 2017, pursuant to RSA 541-A:11, and written comments were received through January 27, 2017. Comments were also received from your office and those comments have been addressed through revisions incorporated in the Final Proposal. On July 10, 2017, the Commission voted to adopt and establish the Final Proposal for readoption with amendments of Puc 2000.

As required by the Rulemaking Manual, enclosed please find one copy of each of the following:

- A completed Appendix II-G Cover Sheet for Final Proposal;
- Amended Fiscal Impact Statement 16:250 dated July 17, 2017;
- The established text of the Final Proposed rule as the "Final Proposal-Fixed Text," including the cross-reference table required by RSA 541-A:3-a, II as Appendix A; and
- The established text of the Final Proposed rule as the "Final Proposal-Annotated."

Consistent with RSA 541-A:10, I and the Commission's filing of the Initial Proposal, electronic copies of the enclosed Final Proposal are being provided to the Chairman of the House Science, Technology and Energy Committee, and to the Chairman of the Senate Energy and Natural Resources Committee, for distribution to members of those standing policy committees.

Thank you in advance for your assistance with this matter.

Sincerely,

A handwritten signature in cursive script that reads "Martin P. Honigberg".
