Re: Rulemaking Notice 2016-233
Puc 2000 Competitive Electric Power Supplier and Aggregator Rules
NHPUC Docket No. DRM 16-853

Dear Attorney Eaton:

Enclosed please find the Public Utilities Commission's Conditional Approval Response, annotated to show the changes from the Final Proposal filed on July 19, 2017. The Conditional Approval Response is intended to address the conditions approved by the Joint Legislative Committee on Administrative Rules at its meeting on August 17, 2017, as described in Attorney Aaron Mitchell's letter dated August 21, 2017. The Conditional Approval Response was approved by unanimous vote of the Commission at a public meeting held on August 25, 2017.

The revisions shown in the Conditional Approval Response are identical to those shown in the Conditional Approval Request submitted on behalf of the Commission on August 16, 2017, which were intended to address the editorial and substantive comments made by Committee staff counsel, as well as a number of issues raised by the Retail Energy Supply Association and other representatives of competitive electric power suppliers and certain changes requested by the City of Lebanon.

Upon receipt of written confirmation from your office that the Conditional Approval Response is in accordance with the conditional approval granted by the Committee, the Commission will proceed to readopt with the final amendments the Puc 2000 rules, with a designated effective date of November 1, 2017, which will be more than 60 days from the date of filing.

Thank you for your assistance with this matter.
