Dear Ms. Debra Howland,

Neighborhood Energy's renewal application was due on or before December 28, 2016. The Commission received it on February 1, 2017 and as a result does not meet the rules PUC 3003.02(a). As noted in PUC 201.05, a waiver is required so that our application can be processed.

I respectfully request a waiver from the Commission and sincerely apologize for my tardiness.

Sincerely,

Tad A. Dziemian
