**Re: Northern Utilities, Inc.
Docket No. DG 17-070 Compliance Tariff Filing**

Dear Secretary Howland:

On behalf of Northern Utilities, Inc. ("Northern") please find enclosed an original and two copies of Original Page 53 and Original Page 54 of Northern's NHPUC No. 12 – Gas Tariff. These pages are submitted to replace those filed on May 9, 2018 in compliance with the Settlement Agreement and NHPUC Order No. 26,129 in the above referenced proceeding. The effective date of these tariff pages is May 1, 2018.

On May 9, Northern filed a new version of its entire Gas Tariff in compliance with the above order. However, upon further review, Northern noticed two pages that should have been updated from those initially filed in this docket. The enclosed red-line versions of these pages indicate the proposed revisions. They include the following: (a) the actual effective date of Northern's Temporary Rates (August 1, 2017) replacing the expected date (July 5, 2017); and (b) the actual Settlement Agreement regulatory assessment amount in base rates (\$368,964) replacing the expected amount (\$310,650). Northern has enclosed Page 25 of Exhibit 1 (Line No. 1) of the Settlement Agreement as reference for the proposed revision to the regulatory assessment amount.

Please do not hesitate to contact me if you have any questions concerning this filing.

Thank you for your attention to this matter.

Respectfully submitted,
