Public Utilities Commission
21 S. Fruit Street Suite 10
Concord, NH 03301-2429

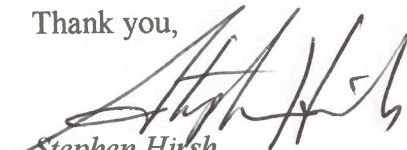

Ms. Howland,

New England Aggregation Services LLC (NEAS), is applying to the State of NH to register as an aggregator. We have an active account as Solar Farm Bank LLC, but were asked by the Corporation Division of the State of New Hampshire to change our name as there was a potential for confusion in being a financial institution. In accordance, we have registered as New England Aggregation Services LLC (NEAS). We have requested that our present accounts be transferred to NEAS, but Barbara Bernstein informed us that we needed to reapply under our new name.
