DE 17-078, One Court Street Associates, Complaint Against Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities; Status Report by Department of Energy

Dear Chairman Goldner:

By Procedural Order dated February 7, 2022, the Commission requested a status report by the Department of Energy concerning the above referenced customer complaint. The Department reports that:

1. Effective July 1, 2021, RSA 365:4 was amended to provide that the Department of Energy shall conduct investigations into customer complaints and that “[a]fter investigation, the department of energy may bring proceedings on its own motion before the public utilities commission, with respect to any complaint....”
2. The Department has not completed its investigation into this matter and has not yet concluded whether filing a motion to bring the complaint before the Commission is warranted.

Consistent with the Commission’s *Temporary Changes in Filing Requirements* (March 17, 2020), this letter is being filed solely in electronic form.

Thank you for your attention to this matter.

Sincerely,

/s/ *Paul B. Dexter*
