RE: Docket No. DE 17-081  
Public Service Company of New Hampshire d/b/a Eversource Energy  
2017 Transmission Cost Adjustment Mechanism

Dear Director Howland:

Enclosed for filing is an original and six copies of the testimony and attachments of Christopher J. Goulding and Kenneth B. Bowes supporting the Transmission Cost Adjustment Mechanism ("TCAM") rate proposed for effect on July 1, 2017 and showing the reconciliation of transmission costs through April 2017, and the testimony and attachments of Lois B. Jones containing the calculation of TCAM charges for each class of customers. Eversource estimates there will be an increase in the average rate from 2.193 cents per kwh to 2.318 cents per kwh.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum  
Senior Counsel
