Record Request:

**Record Request** -Marked as Exhibit #11- In the 2015 Settlement Agreement relating to recovery of stranded, administrative and general expenses.

**Record Request**-Marked as Exhibit #12- Detail how the company is going to use the proceeds from the RRBS that are received for taking the stranded costs off our books, and if we use a hypothetical principal amount of \$600 million, what is Eversource going to do with that \$600 million in order to keep its capital structure at the approved level that were set in the last rate case.

**Record Request** –marked as Exhibit # 13- Will prepare a list of the transactions that have been issued for utilities of rate reduction bonds that lists the servicing fee for each of them.

**Record Request** –marked as Exhibit #14-What Eversource estimates the RRB charge to be based upon each of the 3 scenarios set forth in Mr. Chung's testimony (specifically relating to the SCRC).

**Record Request**-marked as Exhibit #15- Will describe how the Commission will be able to review the nature and prudence of costs that are securitized and how customers will be made whole if there are any adjustment to these figures.

WITNESSES:

Panel #1	Katrina T. Niehaus for (Goldman Sachs, & Co.), Emile G. O'Neil, Christopher J. Goulding and Eric H. Chung for Eversource Energy
