RE: Docket DMIS-315, Renewal of CEPS Registration for Town Square Energy, LLC

Dear Director:

Please accept this document and attachments as the CEPS Renewal Application of Town Square Energy, LLC.

On November 2, 2016, an equity purchase agreement between REH and Genie Retail Energy, Inc. ("Genie Retail"), a subsidiary of publicly traded Genie Energy Ltd., was consummated. A seamless change in control has been effected and Genie Retail is now owner of 100% of REH. TSE has thus become a second-tier subsidiary of Genie Retail. Notice to the PUC, dated November 29, 2016, is attached

Also, note that our bond format and language is identical to the \$100,000 bond currently in place and effective through to October 11, 2017. The replacement bond in the amount of \$350,000, effective October 11, 2017 will be transmitted under separate cover.

Because the term of the renewal bond is one year, we hereby request a waiver of New Hampshire Code of Administrative Rules, PART Puc 2003.03(a)(S)(b). This rule specifies that security required by Puc 2003.01 (d)(4) "Have an expiration date not less than 5 years and 90 days after the date the applicant's application is filed, for an application for renewal". The bond document that is proposed for renewal has a twelve-month term with no cancellation right for the bond company during this term.

RE: Docket DM16-801, Notice of Corporate Change

Dear Ms. Howland:

Pursuant to New Hampshire Administrative Rules, Part PUC 2003.01(e) and 2003.02(i), Town Square Energy, LLC ("TSE" or "Licensee") is required to inform the New Hampshire Public Utilities Commission ("PUC") within 30 days if any information required as part of its initial or renewal registration changes. At this time, TSE wishes to inform the PUC that there has been a corporate change involving its parent company, Retail Energy Holdings, LLC, a Minnesota Limited Liability Company ("REH").

On November 2, 2016, an equity purchase agreement between REH and Genie Retail Energy, Inc. ("Genie Retail"), a subsidiary of publicly-traded Genie Energy Ltd., was consummated. A seamless change in control has been effected and Genie Retail is now owner of 100% of REH. TSE has thus become a second-tier subsidiary of Genie Retail.

As relates to TSE's CEPS registration in New Hampshire, there has been no change in the name of the Licensee and TSE continues to operate with the same staff, management and systems as it did prior to November 2, 2016.

TSE wishes to update the registration information on file with the PUC as per the following:

Competitive Electric Power Supplier (CEPS)	www.TownSquareEnergy.com customercare@townsquareenergy.com 1-877-430-0093 208 W Chandler Heights Rd, Suite 102, Chandler, AZ 85248
Generation Supply Price and Contract Term	The Initial Term of this Agreement is «Term» billing cycles. The fixed rate for the electricity supplied during the Initial Term will be «Rate» per kWh.
Contract Start Date	Electric service will begin upon the first meter read following the date on which your LDC successfully changes your supply service to TSE.
Renewal Terms	If TSE wishes to renew this Agreement with another fixed rate plan, then prior to the expiration of the Initial Term TSE will provide you with written notice ("Renewal Notice") of the length of the renewal term ("Renewal Term") and the fixed rate that will apply during the Renewal Term. This Agreement will then automatically renew for the Renewal Term described in the Renewal Notice at the fixed rate described in the Renewal Notice, unless you request that TSE cancel your service or you enter into a new agreement with TSE that replaces this Agreement. If TSE does not wish to offer you another fixed rate plan, then upon expiration of the Initial Term (or a subsequent Renewal Term) your TSE supply service will continue on a month-to-month basis with a variable rate that fluctuates at TSE's discretion.

Renewable Disclosure	The standard product meets the Statutory and Regulatory requirements of New Hampshire for renewable content. Deposit Requirements	A deposit may be required to enroll with TSE based on your credit or payment history. See detailed disclosure in Credit/Deposit section below.
Statement Regarding Savings	The Fixed or Variable rate may exceed the LDC default service rate. Variable rates are not capped or limited.

TERMS OF SERVICE: NEW HAMPSHIRE

PRICING: For each billing cycle, the price for the electricity supplied pursuant to this Agreement will be calculated by multiplying the (i) the fixed rate or variable rate for the electricity by (ii) the amount of electricity consumed as determined by the LDC's actual or estimated meter reads. Fixed rates are rates that remain the same for the length of an agreed-upon term. Variable rates are rates that fluctuate at TSE's discretion based on a number of factors, including, but not limited to, conditions on the wholesale electricity market, the actual and estimated costs of obtaining electricity from all sources, capacity costs, settlement costs, costs of ancillary services, hedging costs, balancing costs, line loss costs, costs to comply with any applicable Renewable Portfolio Standards and TSE's expenses and margins. Your rate includes generation services only and does not include any applicable taxes. If you have been a customer of the LDC's default service generation rate, you may compare your rate to the LDC's default service rate by referring to the supplier services portion of your most recent electric bill or the LDC's website. In addition, you are responsible for paying your LDC's distribution and transmission charges as well as any other applicable charges, such as the system benefits charge, stranded cost recovery charge and taxes. Please note that variable rates can increase without notice and may exceed your LDC's default service generation rate.

TERM/FEE/NO GUARANTEE OF SERVICE: For new customers of TSE, service of the Initial Term under this Agreement will begin on a date specified by your LDC and will continue for the number of billing cycles specified in the Contract Summary above. If TSE wishes to renew this Agreement after the Initial Term with another fixed rate plan, then prior to the end of the Initial Term, TSE will provide you written notice of renewal ("Renewal Notice"), including the length of the term of such renewal ("Renewal Term") and the fixed rate that will apply during the Renewal Term. This Agreement will automatically renew at the fixed rate set forth in the Renewal Notice and for the Renewal Term set forth in the Renewal Notice unless you request that we cancel your service or you enter into a new agreement with TSE that replaces this Agreement. Subsequent fixed rate Renewal Terms will be implemented in the same manner. If TSE does not wish to offer you another fixed rate plan (to follow the Initial Term or any subsequent fixed rate Renewal Term), then upon expiration of the then current Term your service with TSE will continue on a month-to-month basis with a variable rate that fluctuates at TSE's discretion as described above in the "Pricing" section. Customer acknowledges that TSE cannot guarantee a switch of Customer's account by a specific date and hereby holds harmless TSE from any liability for, or arising out of, delays in this process.

CANCELLATION/TERMINATION: To cancel this Agreement, you may call or email TSE at the contact information provided within this Agreement. When you cancel services, you agree to pay for the services provided by TSE through the date you are switched to another electric supplier or returned to the LDC for service. You are responsible for all charges incurred through the date on which cancellation is effected by the LDC in addition to any Early Termination fee specified in this Agreement. Once your service has begun, it will continue indefinitely until canceled by either you or TSE.

ACCESS TO CUSTOMER INFORMATION: By entering into this Agreement, you agree that your LDC may release to us certain information that we need to provide you with service, including but not limited to your address, telephone number, account numbers, historical usage information, peak electricity demand, payment history and placement on LDC budget billing and/or payment plans. We will not give or sell your confidential information to any unaffiliated third party without your written consent unless we are required to do so by law or your account is assigned to a successor energy company to TSE.

LOW-INCOME PROGRAMS AND ELECTRIC ASSISTANCE PROGRAM ("EAP"). EAP is a discount electric rate available to a qualifying residential customer by its LDC. **If you are currently on such a rate with your LDC, we suggest that you not enroll with TSE as the program benefits do not apply to our charges.** For further information, contact the local Community Action Agency ("CAA") by either calling the New Hampshire Public Utility Commission ("NHPUC") at 1-800-852-3793 (within NH) or 603-271-2431, or visiting the NHPUC online at: <http://www.puc.state.nh.us/Consumer/electricassistanceprogram.htm> to obtain contact information based on the County in which your account is located. Additional information regarding EAP and other assistance programs, including Low Income Heating Assistance Program, Neighbor Helping Neighbor and Project Care, can be found on the Office of Consumer Advocate's Assistance Program webpage at: <http://www.oca.nh.gov/assistanceprograms.htm>.

SERVICE AND SERVICE INTERRUPTION: TSE will supply all the electricity that you need for your account. TSE is a retail marketer of electricity. TSE is not your LDC. The LDC will continue to deliver electricity to your home or business, read your meter, bill you, and make repairs. The LDC will also respond to emergencies and will remain your point of contact in the case of power outage. You acknowledge and understand that your LDC remains responsible for delivery of electrical power to you. In no event shall TSE or any person or entity affiliated with TSE be deemed responsible for service interruption or any other problem with the delivery of electrical power to you. In the event of an emergency or power outage you should call the LDC that supplies power to your local area.

CHANGE OF RESIDENCE/SERVICE LOCATION: You must notify both your LDC and TSE 45 days in advance of a change in your residence service location or business address. A final meter read will be made at your old service location/address, the account at such service location/ address will be closed, and you will be responsible to pay for the electricity delivered to such service location/address until the effective date of such termination.

BILLING AND PAYMENT: You will normally receive one monthly bill from your LDC that includes the TSE generation charge and the LDC delivery charges each with taxes thereon. You will make payments for both the TSE generation charge and the delivery charges directly to your LDC in accordance with your LDC's payment terms. The LDC will set the date that your payment is due. Your bill will be based on the monthly meter reading by the LDC. In the event that the LDC later adjusts its reading for any reason, TSE's charges will be similarly adjusted. Please consult your LDC's tariffs for information regarding late fees on delinquent payments, termination of service for non-payment, security deposits, payment arrangement plans, and other payment and credit terms. Please also consult your LDC's website or tariffs for information regarding LDC basic service delivery rates for your electric service. If TSE issues the bill, payment of the full amount is due twenty-five (25) days after the date the bill is mailed. If you do not pay your bill on time, you may incur late charges and fees. We have the right to cancel this agreement upon 14-days' written notice, if you don't pay your bill or if you don't meet any payment arrangements that we have both agreed to. If you don't pay your LDC's charges, you may be disconnected under the terms of the LDC's tariffs. You shall continue to be responsible for all charges and fees incurred under the terms of this Agreement. This Agreement allows TSE to obtain credit and other information necessary to collect any unpaid balance. Any and all returned checks are subject to a returned check fee of at least \$20, plus any bank fee equal to the maximum fee allowed by law. TSE does not offer budget billing.

CREDIT/SECURITY DEPOSIT: TSE performs a limited credit check based on name and address, with no impact on credit history, on each potential customer. In completing this Agreement, you authorize credit-reporting agencies to provide TSE with any information the agency may have on your name and/or address in response to such limited credit check. TSE may require a security deposit to initiate service, depending on credit or payment history. In most cases,

TERMS OF SERVICE: NEW HAMPSHIRE

the deposit amount will total approximately three (3) months of consumption. The deposit will be returned to you either (i) following 12 months of prompt payments on the account, assuming it is still active, or (ii) 90 days following the confirmed drop date of account, net of any applicable early termination fee or overdue supply charges. Deposits held more than thirty (30) days will accrue interest, at an annual interest rate of 4% from the date of receipt.

TERMINATION BY TOWN SQUARE: In accordance with applicable laws, rules and regulations, including those governing termination of service, TSE reserves the right to terminate this Agreement: i) if, due to your fault, your LDC is unable to read your meter for 3 consecutive months, or ii) if at some future date there is a change in any law, regulation, market rule or tariff that materially impairs TSE's ability to fulfill its obligations under this Agreement. We will provide you with at least 15 days' prior written notice of our intent to terminate this Agreement for any of the reasons specified in i) or ii) above. In addition, we reserve the right to terminate this Agreement at any time for our convenience with advance written notice to you of at least 30 days. Upon termination of the agreement by you or us, you will be responsible for all TSE generation charges incurred hereunder until your account is transferred to LDC default service or to another competitive electricity supplier.

COMPLAINTS AND DISPUTE RESOLUTION: Please contact a TSE customer service representative by telephone or via email if you have questions or concerns regarding your bill or our service. If you are not satisfied with our initial attempt to resolve the problem, we ask that you request to have your issue escalated within our organization. If you remain unsatisfied or if you have questions about your rights and responsibilities, you may seek assistance from the NHPUC. Contact information for TSE Customer Care and the NHPUC is found on p. 1 of this Agreement.

ASSIGNMENT: This Agreement shall extend to and be binding upon our respective successors and permitted assigns; provided, however, that you may not assign this Agreement without our prior written consent. We may sell, transfer, pledge, encumber, or assign the accounts receivable and revenues derived from this Agreement (or any proceeds thereof) in connection with any financing agreement, purchase of receivables program or other billing services arrangement. In addition, we may assign our rights and obligations hereunder to an affiliate of TSE, any person or entity succeeding to all or substantially all of the assets of TSE, or to a competitive electric power supplier licensed to do business in New Hampshire. We shall provide you with 30 days' written notice of any such assignment. Any such assignee shall agree in writing to be bound by the terms of this Agreement and, following such agreement, TSE shall have no further obligations hereunder.

DO NOT CALL REGISTRY: You may opt out of receiving any telemarketing calls by registering with the National Do Not Call Registry online at <https://www.donotcall.gov/register/reg.aspx> or by telephone by calling 1-888-382-1222 from the phone number you wish to register.

LIMITATIONS OF LIABILITY: TSE's LIABILITY IN CONNECTION WITH THIS AGREEMENT SHALL NOT EXCEED THE AMOUNT OF YOUR LARGEST MONTHLY INVOICE FOR ELECTRIC GENERATION SERVICE DURING THE PAST TWELVE (12) MONTHS IMMEDIATELY PRECEDING TERMINATION OF THIS AGREEMENT. EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL (INCLUDING LOST PROFIT OR REVENUES), INCIDENTAL, INDIRECT OR PUNITIVE DAMAGES FOR CLAIMS ARISING HEREUNDER.

NO WARRANTIES: TSE MAKES, AND YOU RECEIVE, NO WARRANTY, EXPRESS, IMPLIED, OR STATUTORY, AND TSE SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

ACCEPTANCE AND CHANGE IN LAW: This Agreement shall not become effective until accepted by TSE. This Agreement may be modified from time to time in accordance with NHPUC laws and rules and shall govern TSE's provision of generation service. This Agreement is subject to any future legislation; orders, rules, or regulations of the NHPUC; or tariff or policy changes of the LDC. These changes are beyond the control of TSE, and may impact the terms and/or price of this Agreement.
