**RATE SCHEDULE**  
 MUNICIPAL FIRE PROTECTION SERVICE  
 SCHEDULE FIRE PROTECTION - METERED  
 LONDONDERRY  
**PROPOSED TEMPORARY INCREASE**

**Availability:**

This rate is applicable to all municipal fire protection service rendered in the Company's service areas for purposes of public safety, where such service is paid for from tax revenues by and of the Town.

**Character of Service:**

The Town shall notify the Company, in writing, of an appropriate vote by the governing body of the city, town, village or other political subdivision stating where hydrants are to be placed. Such notification must be received by the Company before the installation of any hydrant affected has begun. The Company will make every effort to maintain normal pressures at all times on the distribution system, but shall not be held liable for the failure of either the supply or distribution division of its system to adequately furnish its normal quantity of water when such failure is due to the elements, natural causes, breaks, leaks, unusual or concurrent droughts, or the waste or unlawful use of water. The installation and maintenance of fire hydrants, and the supplying of water through such hydrants, is for the sole use of authorized fire fighting personnel for the control and extinguishment of any fire, or for any other use authorized by the Company.

**Rate:**

The charge shall be made up of the following by town:

1) Monthly Hydrant charge

For each hydrant installed, payable in advance, from the month of installation

CAPITAL RECOVERY SURCHARGE  
PROPOSED TEMPORARY INCREASE**

**Availability:**

The rate is applicable to all metered water service in the Company's following service areas:

- Barnstead: Locke Lake
- North Conway: Birch Hill
- Middleton: Sunrise Estates

**Character of Service:**

Service shall consists of the production, treatment, and distribution of water for all residential, commercial and industrial requirements of customers whose premises abut any public street, road or way in which the Company has mains; provided, however, that such service shall only be rendered pursuant to the Terms and Conditions prescribed in other sections of this Tariff and the Rules of New Hampshire Public Utilities Commission for Water Service.

**Capital Recovery Surcharge:**

A capital recovery surcharge shall be made for each customer whom service is rendered under this tariff, based on the meter size shown below:

<u>Service Area</u>	<u>Current Rate</u>	<u>Proposed Temporary Rate</u>		
Barnstead: Locke Lake	\$ 16.36	\$ 12.81	(D)	-21.70%
North Conway: Birch Hill	\$ 46.05	\$ 12.81	(D)	-72.18%
Middleton: Sunrise Estates	\$ 10.74	\$ 10.74		0.00%

The surcharge will be charged monthly over a period of 30 years to the record holder where the existing service is provided. The surcharge will be calculated in each general rate case to reflect the current number of customers in each system.

**Terms of Payment:**

Bills under this rate are net; will be rendered monthly, and are due and payable at the office of the Company on the due date as stated on the water bill.
