HAND DELIVERED

Executive Director and Secretary
New Hampshire Public Utilities Commission

**Re: DW 17-128 Pennichuck East Utility, Inc.
Request for Change in Rates**

Dear Ms. Howland:

Enclosed please find the original and six (6) copies of the revised and executed tariff pages for Permanent Rate Recoupment (Supplement No. 11) and Recovery of Rate Case Expenses (Supplement No. 12). Because there is no existing tariff that is amended by these two tariffs, no redline drafts are attached. Note, however, that the Supplement No. 11 filed today replaces the one filed on November 5, 2018 before the Commission issued Order No. 26,194 suspending the tariff. The revised Supplement No. 11 has a new issued date. It also corrects an error in the November 5, 2018 filing where the heading for Customer Class "Private FP" had a column heading that read "Total Refund." That heading has been corrected in the attached Supplement No. 11 to read "Total Recoupment."

Please let me know if you have any questions or concerns.

Thank you.

Sincerely,

Richard W. Head
