RE: DW 17-128 Pennichuck East Utilities, Inc. Tariff Changes
NHPUC No. 1 – WATER, Supplements No. 11 & 12

Dear Mr. Ware:

Staff has reviewed the Tariff Pages submitted on March 12, 2019 in the above-captioned proceeding, and determined they do not comply with the Commission's 1603 Rules.

During the review, it was noted that on November 5, 2018 PEU submitted Tariff Supplement No. 11 as well as supporting documentation to the Commission. Tariff Supplement No. 11 was subsequently suspended on November 20, 2018. Therefore, any changes to Supplement No. 11 must be tracked according to NH Puc Page Designation and Tariff Revision rules, paying specific attention to 1603.6(b) and (c) using the "Original", "Revised" and "Superseding" headings in the upper right hand corner. In addition, the supporting pages included as part of the Tariff should include the appropriate "Original" header. Please resubmit Tariff Supplement No. 11 as 1st Revised Page 1 Superseding Original Page 1.

Regarding Tariff Supplement No. 12 submitted on March 12, 2019, this page is an "Original" but was not marked as such as required by NH Puc 1603.06(h). The page number is not advanced as this supplement has yet to be suspended or accepted.

Please correct the aforementioned deficiencies and resubmit to the Commission. If you have any questions, please contact me at (603) 271-4081 or via e-mail at anthony.leone@puc.nh.gov.
