**Re: Docket No. DE 17-136
Liberty Utilities (EnergyNorth Natural Gas) Corp.
On-Bill Financing Tariff**

Dear Ms. Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp., and pursuant to Puc 1605.02, enclosed for filing in the above docket please find three copies of clean versions of Original Page 97A, which are tariff pages that implement an on-bill financing option for the Company's gas customers. A redlined version is not provided because all of this language and Pate 97A itself are all new.

The support for this new tariff can be found in the Update Plan filed in September 2018, and the language is similar to that currently in effect for Liberty Utilities (Granite State Electric) Corp.

The Company proposes a January 1, 2019, effective date and respectfully seeks Commission approval before then.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Sheehan".

Michael J. Sheehan
