**RE: Docket No. DE 17-136 On-Bill Financing Tariff –Compliance Filing**

Dear Director Howland:

On behalf of Northern Utilities, Inc. (“Northern” or the “Company”), please find an original and two copies (per Puc 1603.03) of the Company’s First Revised Page 159 and 160 of Northern’s tariff, as well as Original Page 161 and 162. The Company makes this filing in compliance with Order 26,207 in the above referenced docket.

These tariff sheets reflect changes in terms to the Company’s on-bill financing program consistent with the 2019 Update Plan (September 14, 2018) at pages 31-32. Specifically, the Company has updated its on-bill offerings for residential financing from a maximum of \$2,000 to a maximum of \$4,000, and has included a new on-bill mechanism for business customers. The Company filed its proposed versions of these tariff pages in clean and redlined formats on November 30, 2018, with an effective date of January 1, 2019.

Please contact me directly if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor", written over a horizontal line.
