**Re: Rulemaking Notice No. 2017-163 – Conditional Approval Request  
Puc 1300 Utility Pole Attachments Rules  
Public Utilities Commission Docket DRM 17-139**

Dear Mr. Eaton:

Enclosed please find a Conditional Approval Request, annotated to indicate the revisions proposed by the Public Utilities Commission to be made to the Final Proposal filed on April 30, 2018.

The proposed revisions are intended to address a number of issues raised by interested parties in testimony and comments filed with the Committee, and reflect extensive discussions at two stakeholder meetings held on May 18<sup>th</sup> and June 8<sup>th</sup>, as well as further written input received from utility pole owners and from attaching entities.

The Commission respectfully requests that the Committee conditionally approve the Final Proposal with the amendments indicated in the Conditional Approval Request.

Thank you in advance for your assistance with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Honigberg".
