RE: Docket No. DE 17-150
Public Service Company of New Hampshire d/b/a Eversource Energy
Proposed Default Energy Service Rate for 2018

Dear Director Howland:

Enclosed please find the Joint Technical Statement and updated exhibits of Christopher J. Goulding and Frederick B. White, which is being filed to explain the major changes to Public Service Company of New Hampshire d/b/a Eversource Energy's proposed Default Energy Service rate, proposed to be effective on January 1, 2018. Consistent with the settlement agreement pending before the Commission in Docket No. DE 17-113, this submission updates the Company's filing in the above docket submitted on October 2, 2017 and calculates the proposed Default Energy Service Rate as a 3-month rate.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
