Re: DW 17-165 AWC – Rosebrook Step II

Dear Ms. Howland:

On behalf of Abenaki Water Co. – Rosebrook (“AWC” or “Rosebrook”), enclosed are the June 7, 2019 NHDES Sanitary Survey 2019 for Rosebrook Water and Mr. Vaughan’s June 13, 2019 response to the “significant deficiencies” identified in the NHDES Sanitary Survey. AWC believes that the NHDES Sanitary Survey and its response further supports its effort to perform the engineering necessary to reduce the water pressure and cure the “significant deficiencies.” If you, the PUC Staff and / or the Commissioners have any questions or comments, please let me know.

Sincerely,

Stephen P. St. Cyr
