Re: DW 17-165, Abenaki Water Company, Inc.-Rosebrook Water System
Request for Change in Rates
Record Requests

Dear Ms. Brown:

On April 23, 2020, the Commission made the following record requests:

Record Request 27:

For 2018, please identify the amount in revenue requirement for each system (*e.g.*, in Rosebrook's revenue requirement it is \$35,688) to recover costs of the New England Service Company, Inc.'s (NESC). Please state how much was booked in deferred accounts for non-recurring items, such as rate case expenses for each system in 2018. Also, please provide the total cost to operate NESC for 2018, and state what percentage of NESC operations is attributed to unregulated activities.

The Commission has reserved proposed Exhibit No. 27 for the Company's response to this request. Please mark and paginate your response before submitting.

Record Request 28:

Please provide detailed information supporting the amounts included in the contested rate case amount and the \$35,688 in Salary and Administrative Expenses included in Rosebrook's revenue requirement, including employee time, and dates and work performed, as well as an analysis showing that the two amounts do not include redundant charges.

The Commission has reserved proposed Exhibit No. 28 for the Company's response to this request. Please mark and paginate your response before submitting.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
