Subject: Comment on the Granite Bridge Pipeline

Utilities Commission,

Dear Public Utilities Commissioners,

I want to urge you to deny any permits to Liberty Utilities for the construction of the Granite Bridge pipeline and tank.

We simply don't need Granite Bridge. A report published in 2017 by the University of New Hampshire stated: "no immediate need for New Hampshire to expand natural gas pipeline infrastructure."

Please stop this unnecessary and dangerous project from being built. The cost and risks are not worth it for the people of New Hampshire.
