RE: Request to withdraw waiver for Reneda Properties LLC for a Master Meter at 15&17 Orange Court Laconia NH.

Dear NH PUC:

After several phone calls and conversations with Eversource we have solved the problem at this location. We have come to an agreement that satisfies both parties and that will allow us to continue without having to achieve and waiver for a master meter. We have agreed to put things back like they were before the fire. Instead of one meter the building will have three.

That being said I would like to withdraw my request for the waiver and also thank you for your consideration in this matter.

Sincerely,
