SUBJECT: DM 18-031 Empire Telecommunication and Energy Consultants, LLC
d/b/a Empire Energy
Application to Renew Registration as a Provider of Electric
Aggregation Service

TO: Debra Howland, Executive Director

On March 7, 2018, Empire Telecommunication and Energy Consultants, LLC d/b/a Empire Energy (Empire Energy) filed an application to renew its registration as a provider of electric aggregation service. Empire Energy's most recently effective registration expired on May 4, 2018.

Staff e-mailed Empire Energy and its consultant, who filed and administered the application, to request additional information required to complete the application on March 9, 2018, March 26, 2018, and April 23, 2018, and sent an e-mail notification on May 10, 2018 that Empire Energy's registration had lapsed and that, if it intended to re-register, its application would be considered one for an initial registration and not a renewal.

Neither Empire Energy nor its consultant responded with the requested information. Empire Energy's renewal application has not been completed and its registration has expired. Staff therefore recommends that Empire Energy's application for renewal of its electric aggregator registration be denied in writing, pursuant to Puc 2003.06(e)(2), and that this docket be closed.
