Application to Renew Registration as a Provider of Natural Gas
Aggregation Service

TO: Commissioners
Debra Howland, Executive Director

On January 29, 2019, Usource, L.L.C. (Usource) filed an application to renew its registration as a provider of natural gas aggregation service. Usource's currently-effective registration expires on February 1, 2019.

Commission Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff notes that, pursuant to Puc 3003.05(a), Usource's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before December 3, 2018. Staff recommends that a waiver of Puc 3003.05(a) be granted and that Usource's application to renew its registration as a provider of natural gas aggregation service be approved, effective as of February 1, 2019, for a term of 5 years.
