Re: DM 19-037, Satori Enterprises LLC
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. Weirs:

On February 19, 2019, Satori Enterprises, LLC (Satori) submitted an application with the Commission to renew its registration as a provider of electric aggregation service.

Commission Staff filed a memorandum on February 20, 2019, in which it confirmed its review of the application and its conclusion that the application is complete. Staff recommended that Satori's registration renewal application be approved for a two-year term, beginning on May 1, 2019, pursuant to Puc 2003.06(e)(1).

Your application for registration renewal is approved effective as of May 1, 2019, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on May 1, 2021. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before March 2, 2021.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that each registered electric aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
