Re: DT 19-041: Petition of Consolidated Communications of Northern New England Company, LLC For Approval of Modifications to the Wholesale Performance Plan

Dear Ms. Howland,

Via correspondence dated March 31, 2020, I provided the Commission and the parties to the above captioned Docket with a status report advising that Consolidated Communications and the Charter entities had settled all matters between them at issue in the Docket, as well as the related dockets in Vermont and Maine. That settlement followed a prior settlement with CANNE. As a follow-up to that status report, I hereby provide the Commission and parties the following settlement documents:

1. Joint Settlement Stipulation and Request for Approval Thereof;
2. Attachment A to the Stipulation – Amended Wholesale Performance Plan;
3. Attachment B to the Stipulation – Amended Wholesale Performance Plan in Microsoft Word Track-Changes Mode (converted to PDF); and
4. Consolidated’s Memorandum in Support of Approval of Joint Settlement Stipulation.

Similar joint stipulations and memoranda in support of approval recently have been filed with the Maine Public Utilities Commission (“MEPUC”) and soon will be filed with the Vermont Public Utility Commission (“VTPUC”). The same Attachments A and B provided to the Commission via this submission have been provided to the MEPUC and will be provided to the VTPUC with the respective joint stipulations for those jurisdictions.

Pursuant to your March 17, 2020, notice that the Commission temporarily has waived the requirements of Puc. 203.02, paper copies of this correspondence and the above referenced settlement documents will not be submitted.

Debra Howland, Executive Director
New Hampshire Public Utilities Commission
