## Legal Notice ✓

**STATE OF NEW HAMPSHIRE  
PUBLIC UTILITIES  
COMMISSION  
DE 19-049  
UNITIL ENERGY  
SYSTEMS, INC.  
2019 Energy Service  
Procurement Proceeding  
ORDER OF NOTICE**

On March 7, 2019, Unitil Energy Systems, Inc. (Unitil) filed a letter notifying the Commission of its proposed 2019 default energy service schedule. The schedule indicates, by customer group, the dates for (1) issuance of the request for proposal (RFP) for power supply, (2) the deadline for submission of indicative and final bids, (3) filing the proposal with the Commission, and (4) issuance of the expected Commission order on the petition. Unitil provided the information for the six-month period beginning June 1, 2019.

The petition and subsequent docket filings, other than any information for which confidential treatment is requested or granted by the Commission, will be posted to the Commission's website at <http://www.puc.nh.gov/Regulatory/Docketbk/2019/19-049.html>.

Unitil conducts its default service solicitations pursuant to the process approved by the Commission in Orders Nos. 24,511 (September 9, 2005) and 24,921 (December 12, 2008), as modified by Order No. 25,397 (July 31, 2012). In Order No. 25,397, the Commission approved Unitil's proposal to modify its energy service procurement process as follows: (1) the default service period for customers taking energy service supply from Unitil begins on June 1 and December 1 of each year, (2) for G1 (large commercial and industrial) customers, pricing is based on variable monthly prices and solicitations occur every 6 months, and (3) for Non-G1 (residential, small commercial, and outdoor lighting) customers, solicitations occur every 6 months, and pricing results in fixed monthly rates for the six month period. In addition, for Non G1 customers, the load is separately acquired and priced for both the residential customer group, and the small commercial and outdoor lighting customer group.

For G1 customers, Unitil solicits variable pricing that passes through energy costs in the form of real-time locational market prices (LMP) for the New Hampshire Load Zone. Respondents to the RFP are asked to bid fixed adders to the LMP that would cover all other costs of supplying power, including a margin of return.

On March 5, 2019, Unitil issued the RFP for energy service power supply for the six month period beginning June 1, 2019. Unitil will issue the second RFP on August 27, 2019, for the six-month period beginning December 1, 2019, with the associated regulatory filing to take place on September 27, 2019.

The filing raises, *inter alia*, issues related to whether the power supply procurement is consistent with RSA 374-F:3, V(c)-(e) and Order No. 24,511, Order No. 24,921, and Order No. 25,397; and whether the resulting rates are just and reasonable as required by RSA 378:5 and :7. Each party has the right to have an attorney represent the party at the party's own expense.

**Based upon the foregoing, it is hereby**

**ORDERED**, that a Hearing, pursuant to N.H. Code Admin. Rules Puc 203.12, be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on April 10, 2019 at 1:30 pm; and it is

**FURTHER ORDERED**, that pursuant to N.H. Code Admin. Rules Puc 203.12, Unitil shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than March 27, 2019, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before April 5, 2019; and it is

**FURTHER ORDERED**, that consistent with N.H. Code Admin. Rules Puc 203.17 and Puc 203.02, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to Unitil and the Office of the Consumer Advocate on or before April 5, 2019, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities, or other substantial interest may be affected by the proceeding, consistent with N.H. Code Admin. Rules Puc 203.17; and it is

**FURTHER ORDERED**, that any party objecting to a Petition to Intervene make said Objection on or before April 10, 2019.

By order of the Public Utilities Commission of New Hampshire this fifteenth day of March, 2019.
