SUBJECT: Docket DT 19-055 Teleport Communications of America LLC Waiver
Request to Obtain Growth Numbering Resources in Durham, NH
Staff Recommendation

TO: Commissioners
Debra A. Howland, Executive Director

CC: David K. Wiesner, Director, Legal Division

On March 22, 2019, Teleport Communications of America LLC (TCAL) filed a safety valve request to overturn the denial by Somos of its request for a specific block of numbers in the Durham rate center. TCAL states that it has a national customer, looking for a specific series of 4-digit numbers that will allow it to easily integrate the numbers requested into their existing network configuration. TCAL supported its assertion with a letter of intent and explanation from the customer.

The Durham exchange has an appropriate, unassigned thousand-number block that would meet Teleport's needs. Staff recommends that the Commission grant Teleport's request for a waiver.
