Re: Docket No. DE 19-057; Public Service Company of New Hampshire d/b/a Eversource Energy; Business Process Audit

Dear Bob:

In a letter to counsel for Eversource Energy dated February 15, 2023, on which you were copied, I stated that the New Hampshire Department of Energy (the Department) would, by this date, send River Consulting Group, Inc. (RCG) any comments the Department had on the Business Process Audit Final Report that RCG provided for review on November 30, 2022.

I write today to advise RGC that the Department has no comments on that Report. Once RCG has reviewed any comments from Eversource Energy on that Report, and if RCG incorporated any changes based on those comments from Eversource Energy, please provide the Department with that Report, which the Department will file with the Public Utilities Commission in this docket, per the Settlement Agreement in DE 19-057, Appendix 2.

Sincerely,

*/s/ Paul B. Dexter*
