Application to Register as a Provider of Natural Gas Aggregation
Service
Staff Recommendation

TO: Debra Howland, Executive Director

On March 26, 2019, National Energy Cost Services, Inc. (National Energy) filed an application to register as a provider of natural gas aggregation service. On May 8, 2019, National Energy submitted a revised listing of CNGS's through which they intend to provide service as well as a statement that they are not representing any supplier interest.

Commission Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommends that National Energy's application to register as a provider of natural gas aggregation service be approved, effective on the date of the Commission's approval letter, for a term of 2 years.
