Re: Docket No. DW 19-084
Pennichuck Water Works, Inc. – Rate Proceeding
Temp-Perm and Rate Case Expense Tariff Supplements

Dear Director Howland:

On April 8, 2021, the Commission approved Pennichuck Water Works, Inc.'s (PWW) request for recovery of the difference between temporary and permanent rates as well as recovery of its rate case expenses. The Commission also approved the temporary surcharges to customer bills proposed in PWW's draft tariff supplements.

In light of Commission Order No. 26,469 and in compliance with PART Puc 1603, Puc 1603.07(a)(2), and 1603.08(a)(4), PWW files the attached tariff supplements 4 and 5 for the rate recoupment and rate case expense surcharges. These tariff supplements will be in effect for the respective approved 18 and 12-month terms.

Thank you in advance for your assistance with this filing. If you have any questions, please do not hesitate to contact me.

Very Truly Yours,
