Application to Register as a Provider of Electric Aggregation Service

TO: Debra A. Howland, Executive Director

On May 23, 2019, PGP Energy, Inc. (PGP) filed an application to register as a provider of electric aggregation service.

Staff e-mailed PGP to request additional information required to complete the application on May 25, 2019 and again on June 17, 2019. PGP has not responded with the requested information, and PGP's application has not been completed.

Staff therefore recommends that PGP's application for its electric aggregator registration be rejected in writing, pursuant to N.H. Admin. R. Puc 2003.05(f), and that this docket be closed.
