Re: DE 19-104, Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Clean Innovation Community Solar Pilot Proposal  
Closing Docket

To the Parties:

On January 16, 2021, Public Service of New Hampshire d/b/a Eversource Energy (Eversource) filed a request to withdraw its petition and close the above-captioned docket. No objection to Eversource's request was filed.

Eversource stated in its letter that it is committed to establishing a meaningful low-moderate income community solar pilot project. However, Eversource finds it necessary at this juncture to explore additional program options, including those which would reduce program costs. Eversource determined that it would be more efficient to withdraw its petition while it evaluates potential changes to its pilot proposal, rather than update what it has already provided.

Accordingly, the Commission has closed this docket.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
