**Re: Docket No. DE 19-120; Liberty Utilities (Granite State Electric) Corp.
d/b/a Liberty Utilities
Least Cost Integrated Resource Plan**

Dear Ms. Howland:

After careful review and deliberation, the Company has decided to withdraw its request for confidential treatment of Attachment 1, the Distribution Asset Strategy and Distribution Asset Management documents.

Therefore, on behalf of Liberty Utilities (Granite State Electric) Corp., enclosed please find the following:

- One original and six copies of the *Revised Direct Testimony of Robert Johnson, Jr., Joel Rivera, Anthony Strabone, and Heather M. Tebbetts*, now paginated Bates 0001R through 0016R, with the only changes being removal of the word "Confidential" on Bates 0001, 0010, 0012, and 0014 in the original filing; and
- One copy¹ of Attachment 1 with the "Confidential" header removed, Bates 0017R through 0138R.

In light of this filing, the Company's *Motion for Confidential Treatment of Attachment 1* is now moot. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Sheehan".
