RE: Docket No. DE 19-133
Public Service Company of New Hampshire d/b/a Eversource Energy
Petition for Preauthorization of Westmoreland Clean Innovation Project

Substitution of Witness

Dear Director Howland:

On July 31, 2019, Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") filed its Petition for Preauthorization of Westmoreland Clean Innovation Project in the above-captioned docket. Included in that request was the pre-filed testimony and attachments of Charlotte B. Ancel. In October 2019 Ms. Ancel left her position with Eversource.

Accordingly, by this letter Eversource is notifying the Commission and the parties that it will substitute Jennifer A. Schilling, Director, Grid Modernization, in the place of Ms. Ancel for this proceeding. Ms. Schilling will adopt Ms. Ancel's testimony as her own, and will take the place of Ms. Ancel for purposes of addressing any discovery that has been, or will be, responded to in this proceeding.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
Senior Regulatory Counsel
