Re: Notice No. 2019-162 Conditional Approval Response  
Puc 900 – Net Metering for Customer-Owned Renewable Energy Generation  
Resources of 1,000 Kilowatts or Less  
Public Utilities Commission Docket No. DRM 19-158

Dear Attorney Eaton:

Enclosed please find the Public Utilities Commission's Conditional Approval Response, annotated to show the changes from the Final Proposal filed on April 28, 2020. The revisions shown in the Conditional Approval Response are identical to those shown in the Conditional Approval Request submitted on behalf of the Commission on June 16, 2020.

The Conditional Approval Response is intended to address the conditions approved by the Joint Legislative Committee on Administrative Rules at its meeting on June 19, 2020, as described in your letter dated June 24, 2020. The Conditional Approval Response was approved by unanimous vote of the Commission at a public meeting held on June 26, 2020.

Upon receipt of written confirmation from your office that the Conditional Approval Response is in accordance with the conditional approval granted by the Committee, the Commission will proceed to readopt with the final amendments the Puc 900 rules.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in cursive script that reads "Dianne Martin".

Dianne Martin  
Chairwoman
