Re: Joinder Agreements to Affiliate Services Agreements – Liberty Utilities (Gas New Brunswick) LP

Dear Ms. Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. (“EnergyNorth”) and Liberty Utilities (Granite State Electric) Corp. (“Granite State”), both d/b/a Liberty Utilities, and pursuant to RSA 366:3, I enclose for filing three copies each (*see* Puc 202.06(b)) of five separate agreements titled “Joinder Agreement to Affiliate Services Agreement.”

RSA 366:3 requires a utility to file, within 10 days of execution, the “original or a verified copy of any contract or arrangement and of *any modification thereof* ... the consideration of which exceeds \$500, hereafter entered into between a public utility and an affiliate providing for the furnishing of managerial, supervisory, construction, engineering, accounting, purchasing, financial, or any other services either to or by a public utility or an affiliate ...” (emphasis added).

As of October 1, 2019, Liberty Utilities (Gas New Brunswick) LP (“GNB”) became an affiliate of EnergyNorth and Granite State. Also as of October 1, 2019, through the Joinder Agreements included with this letter, GNB joined the five existing affiliate service agreements between the various Liberty Utilities regulated entities (including EnergyNorth and Granite State) and (1) Liberty Utilities (Canada) Corp., (2) Liberty Utilities Service Corp., (3) Algonquin Power & Utilities Corp., (4) Liberty Utilities Co., and (5) Liberty Utilities (Park Water) Corp.

The sole purpose of these joinder agreements is to allow GNB to join the five affiliate services agreements currently in place. These joinder agreements made no changes to the underlying affiliate services agreements, which were previously filed in Docket Nos. DA 17-117 and DA 17-014.

Finally, by this letter I verify that the attached are accurate copies of the original agreements.

Sincerely,

Michael J. Sheehan
