Re: DW 19-177 Lakes Region Water Company, Inc. / Dockham Shores
Request Change in Rates

Dear Ms. Howland:

On October 18, 2019 the Public Utilities Commission acknowledge that it had received Lakes Region Water Company / Dockham Shores filing regarding notice of intent to file a request for rate increase on October 15, 2019. The Company has 30 – 60 days in which to file its rate case. The rate case is substantial complete, but the Company needs an additional 1 week to make any final adjustments and conduct a final review. As such, the Company respectfully requests an extension of time of 1 week to file its rate case. The extension of time should not have any adverse effect on any party to the proceeding. If you have any questions or comments, please call me at 207-423-0215 or email me at stephenpstcyr@yahoo.com.

Very truly yours,

Stephen P. St. Cyr
