Re: DM 19-181, Definitive Energy Group, Inc.
Application to Renew Registration as Provider of Natural Gas Aggregation Service

Dear Mr. Bruce:

On November 1, 2019, Definitive Energy Group, Inc. (Definitive) filed an application to renew its registration as a provider of natural gas aggregation service. On November 19, 2019, Definitive filed a list of CNGS's through which they intend to provide service. Definitive's currently-effective registration expires on January 22, 2020.

Commission Staff filed a memorandum on November 21, 2019, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommended that Definitive's registration application be approved for a five-year term, beginning on January 22, 2020.

The Commission has approved Staff's recommendation. Accordingly, Definitive's application for registration is approved, effective as of January 22, 2020. The renewed registration is for a term of five years and expires at the close of business on January 22, 2025. Pursuant to Puc 3003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before November 23, 2024.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
