Notes:

- (1) Operating Expense Revenue requirement is the sum of the Total Operating Expenses, Property Tax Expense and Amortization Expense approved in DW17-128
- (2) Annual Principal and interest payments for PEU debt associated with all plant in service as approved in DW17-128
- (3) Principal and interest coverage of 1.10 is as approved in DW17-128
- (4) QCPAC operating expense proformas are based on the property taxes for plant added during the year.
- (5) See Calculation of annual principal and interest payments on spreadsheet titled "2018 QCPAC PEU Additions"
- (6) Portion of Annual Principal and interest payments paid to CoBank for debt associated with plant placed in service between 1/1/2018 and 12/31/2018 based on a 25 year term loan with an actual total all in interest rate of 4.38% that was not recovered in DW17-128
- (7) QCPAC percent revenue surcharges based on increase in revenues over the step revenues granted in DW17-128, exclusive of prior QCPAC surcharges.
- (8) 2018 Proforma Operating Expenses include a reduction in purchased water expenses associated with the completion of the PWW-PEU Interconnection in the amount of \$ 180,500
- (9) Cumulative surcharge percentage is based on total surcharge revenues collected divided by the step revenues granted in DW17-128
- (10) QCPAC operating expense proforma associated with property taxes is reduced by \$ 70,000 to reflect reduction in purchased water costs associated with the completion of the Londonderry Storage Tank
- (11) QCPAC operating expense proforma associated with property taxes is reduced by \$ 28,000 to reflect reduction in arsenic treatment costs associated with the completion of the Locke Lake raw water well line to the Peacham Road Treatment plant
- (12) Portion of Annual Principal and interest payments paid to CoBank for debt associated with plant placed in service between 1/1 and 12/31 for designated year based on a 25 year term loan with an actual total all in interest rate of 5.50% that was not recovered in DW17-128

Impact on PEU Single Family Residential Home:

Monthly meter charge granted in DW17-128, inclusive of Step increase -	\$ 20.70
Average Single Family Consumption (CCF) -	7.29
Consumption Charge granted in DW17-128, inclusive of Step increase -	\$ 7.51 per CCF
Average Single Family monthly bill with rates granted in DW17-128, inclusive of step -	\$ 75.45

Locke Lake Well 14 VFD	Locke Lake Well 14 VFD	1900391	Pending Filing ⁷				\$ 8,608	\$ -	Barnstead	Yes	Yes	\$ 27.10	\$ 233	
Short term interest	Short term interest on FALOC and SRF loans to fund 2018 Capex									Yes	No		\$ -	
Total 2018 Board Approved PEU Capital Expenditures						\$ 4,826,100	\$ 5,179,004	\$ 5,023,146					\$ 139,634	
						Projected 2018	\$ 5,179,004							

Projected Annual P&I Payments

Amount to be funded with 2019 Loan from CoBank ^{2,7}	\$ 1,153,000	\$ 76,800
Amount to be funded SRF loan for Brady Avenue watermain replacements ⁴	\$ 570,000	\$ 23,215
Amount to be funded SRF loan for PWW/PEU Interconnection ⁴	\$ 2,400,000	\$ 146,210
Amount to be funded SRF loan for Hillcrest Road watermain replacements ⁴	\$ 244,389	\$ 14,888
Amount to be funded with Drinking Water and Groundwater Trust Fund Grant -	\$ 600,000	\$ -
Total Projected 2018 QCPAC P&I -		\$ 261,114

1. Tax rate is the sum of the local community rate plus the Statewide Utility tax rate of \$6.60/\$1000

2. Final CoBank Loan Terms are 25 Years at 4.38%

3. Projected Brady Ave. SRF Terms are 30 Years at 1.96% with 10% Principal forgiveness

4. Projected PWW/PEU Interconnection SRF Terms are 20 Years at 1.96%

5. Projected Hillcrest Road SRF Terms are 20 Years at 1.96%

6. Brady Ave was budgeted in 2 phases by the Board, Phase I was in the 2017 Capital Budget and Phase II was in the 2018 Capital Budget with the total project budget estimated at \$ 254,860 of which \$ 10,471 is internal engineering that can not be funded with SRF funds.

7. The cash to fund the "pending filing" projects in 2018 was borrowed from CoBank through the short term Fixed Asset Line of Credit (FALOC) approved in DW17-157. PEU will be filing for approval to borrow long term funds from CoBank in the Winter of 2019 to repay the CoBank FALOC.

8. Eliminate AFDUC on PWW-PEU Interconnect Project in the amount of \$ 95,807

Pennichuck East Utility Qualified Capital Project Adjustment Charge (QCPAC) Customer Notice for February 2020 filing at the New Hampshire Public Utilities Commission

Pennichuck East Utilities, Inc.'s ("Pennichuck") primary goal is to provide exceptional service and delivery of quality water 24 hours a day, 365 days a year. We regularly evaluate the infrastructure of our systems to identify areas that require improvement. Pennichuck was granted approval by the New Hampshire Public Utilities Commission (PUC) in DW17-128 (Order #26,194) to implement a Qualified Capital Project Adjustment Charge (QCPAC). The QCPAC allows Pennichuck to bill a monthly surcharge based on a percentage of your monthly bill. The surcharge will recover the costs of Pennichuck's ongoing investment in Qualified Capital Projects (QCPs) necessary to provide service to its customers, in compliance with State and Federal regulations, and to maintain its overall water supply and treatment infrastructure in a proactive and responsive manner.

The QCPAC surcharge allows Pennichuck to recover 1.10 times the annual principal and interest for the debt issued to pay for Pennichuck's Qualified Capital Projects (QCPs) expenditures made on plant and equipment placed into service during the prior year plus the property taxes associated with those QCPs. As a part of this annual process, Pennichuck's QCP expenditures are audited by the PUC for prudence and confirmation of actual expenditure levels.

Our Customers benefit from the QCPAC program as it provides the necessary funding for Pennichuck to maintain a consistent plan for the replacement of aging infrastructure, which in turn increases the reliability and quality of service. The QCPAC program will also result in smaller annual rate changes for customers by permitting Pennichuck to recover the expenses associated with the replacement of aging infrastructure between rate cases.

As part of the ongoing annual QCPAC process, Pennichuck will be filing a proposed three-year capital expenditure plan for 2020-2022 QCPs with the PUC on or before February 15, 2020. The proposed 2020-2022 QCPs submitted will update Pennichuck's 2019 through 2021 proposed QCP expenditures placed on file with the PUC in February of 2019 in conjunction with its DW 19-035 QCPAC filing. As part of the pending February 2020 QCPAC filing, Pennichuck will be requesting the PUC to allow it to increase the QCPAC surcharge from 2.98% to 5.67%. The PUC granted the 2.98% increase in Order #26,313 issued on December 6, 2019 and effective on January 6, 2020. The first bills reflecting the 2.98% QCPAC surcharge will either be delivered in January or February of 2020. The February 2020 filing be described in this notice is requesting an additional 2.70% associated with the QCPs placed in service during 2019. The proposed QCPAC surcharge will apply to meter classes and charges for bills rendered after May 1, 2020 and would likely go into effect in the fall of 2020.

The requested QCPAC surcharge for 2019 QCPs, if approved, would result in a total QCPAC surcharge of about \$4.28 per month on the average single family residential bill of \$75.45 resulting in a total monthly bill of \$79.73 consisting of the \$2.25 surcharge granted for the 2018 QCPs and the proposed additional surcharge of \$2.03 for 2019 QCP's.

If you have any questions or concerns related to Pennichuck's February 2020 QCPAC filing, please contact Pennichuck Customer Service at 800-553-5191 or the New Hampshire Public Utilities Commission at 800-852-3793.

Attachment B - PEU Draft QCPAC Tariff Language

NHPUC NO. 1 Water
PENNICHUCK EAST UTILITY, INC.

First Revised Page 50
Superseding Original Page 50

QUALIFIED CAPITAL PROJECT ADJUSTMENT CHARGE

In addition to the net charges provided for in this Tariff, a Qualified Capital Project Adjustment Charge ("QCPAC") surcharge of 4.95% will apply on a service rendered basis to all bills issued after July xx, 2020.

I. General Description

Purpose: To recover the fixed costs (1.1 times principal and interest plus property taxes) of Commission-approved capital expenditures needed to operate maintain, insure regulatory compliance and to replace aging infrastructure which were completed and placed in service and to be recorded in the individual accounts, as noted below, between base rate cases. In addition, QCPAC provides the Company with the resources to complete essential asset replacement for infrastructure for the purpose of improving or protecting water quality and the reliability of service and to comply with evolving regulatory requirements imposed by the Safe Drinking Water Act.

QCPAC Eligible Property will encompass all Assets acquired by the Company as part of its annual capital improvements plan. Any regulatory asset that is recovered through an amortization expense is not eligible for QCPAC treatment.

Computation of the QCPAC

The charge effective on a service rendered basis for all bills issued after July xx, 2020 and will be calculated to recover the fixed costs of eligible plant additions not previously reflected in the Company's rate base and placed in service between January 1, 2018 and December 31, 2019. Thereafter, the QCPAC will be updated on an annual basis to reflect eligible plant additions placed in service during the prior calendar year. Thus, changes in the QCPAC surcharge percentage will occur as follows:

<u>Effective Date of QCPAC Change</u>	<u>Date To Which QCPAC Eligible Plant Additions Reflected</u>
June 30, 2020	December 31, 2019

The QCPAC will be applied on a service rendered basis to all bills rendered after July xx, 2020. The QCPAC will be applied uniformly to all customer classes and charges with the exception that the QCPAC will not be applied against the North Country Capital Recovery Surcharge.

Issued: _____	Issued by: _____
Effective: July xx, 2020	Name: Donald L. Ware
	Title: Chief Operating Officer

Authorized by NHPUC Order No. xx,xxx in Docket No. DW 20-xxx dated October xx, 2020

The fixed costs of eligible infrastructure system improvement projects will consist of principal and interest payments and property taxes calculated as follows:

Principal and Interest: The principal and interest expense will be based on the annual principal and interest associated with the financings received the Drinking Water and Groundwater Trust Fund, the New Hampshire Department of Environmental Services State Revolving Loan Fund and a term loan with CoBank, all of which were closed on before or on July 30, 2020 to pay for the QCPAC qualified projects that were completed and used and useful by December 31, 2019. The Principal and interest associated with these various financings will be multiplied by 1.1 to determine this portion of the QCPAC surcharge. The debt service revenues collected via the QCPAC surcharge shall be divided into two revenue streams with the revenues associated with 1.0 times the QCPAC principal and interest being part of the Company's Debt Service Revenue Requirement ("DSRR") and the revenues associated with 0.1 times the QCPAC principal and interest being part of the Company's 0.1 Debt Service Revenue Requirement ("0.1 DSRR").

Property Taxes: Incremental property taxes associated with the specific capital projects, as determined in the year of the granting of the QCPAC for such projects. The property tax expense will reflect an estimate of the tax expense for such projects based on the tax rate then in effect at the end of the year the QCP was used and useful times the final audited cost of the eligible QCP's.

QCPAC Surcharge Amount: The charge will be expressed as a percentage carried to two decimal places and will be applied to the effective portion of the total amount billed to each customer under the Company's otherwise applicable rates and charges.

The QCPAC Surcharge Amount approved by the Commission will be recouped back to the effective date of this tariff. The recoupment will be calculated based on actual charges incurred between the effective date of this tariff and the issued date of this tariff and shall be collected over two months commencing after the issuance date of this tariff.

PENNICHUCK EAST UTILITY, INC.

First Revised Page 52
Superseding Original Page 52

Formula: The formula for calculation of the QCPAC surcharge is as follows:

$$QCPAC = \frac{1.1 \times (AP + AI) + PT}{BRWR}$$

Where:

AP = the annual principal payments associated with the financings issued to fund QCPAC eligible projects that were used and useful before the end of the preceding year.

AI = the annual interest payments associated with the financings issued to fund QCPAC eligible projects that were used and useful before the end of the preceding year the pre-tax return rate applicable to eligible infrastructure system improvement projects.

PT = annual property taxes related to eligible infrastructure system improvement projects.

BRWR= base retail water revenues as approved by the Commission in the Company's last rate proceeding, DW 17-128, or a subsequent docket.

Annual updates: Supporting data for each annual update will be filed with the Commission and the Office of Consumer Advocate no later than February 15th of each year.

Audits: The QCPAC will be subject to audit prior to the determination by the Commission.

NHPUC NO. 1 Water
PENNICHUCK EAST UTILITY, INC.

First Revised Page 53
Superseding Original Page 53

Authorized by NHPUC Order No. xx,xxx in Docket No. DW 20-xxx dated October xx, 2020

New Base Rates: The QCPAC charge will be reset at zero as of the effective date of new base rates that provide for prospective recovery of the annual costs that had theretofore been recovered under the QCPAC. Thereafter, only the fixed costs of new eligible plant additions that have not previously been reflected in the Company's rate base would be reflected in the annual updates of the QCPAC.

Customer Notice: At least thirty (30) days in advance of a QCPAC filing, the Company will notify Customers of the filing by including an explanatory bill insert with the bills. Before sending, the Company will review the notice with the Commission's Consumer Services and External Affairs division. Customers shall also be notified of changes in the QCPAC by including appropriate information with the first bill they receive following any change.

Notice of Project Substitution: If, after the Company has received Commission approval for Year 1 QCPAC projects, because of changed circumstances or significant new information the Company plans to undertake projects in Year 1 that were not included on the list of approved QCPAC projects for that year or it has decided not to proceed with one or more projects that were included on the Commission-approved list, it shall notify the Commission and all parties to the proceeding in which the list of QCPAC projects was approved that the Company plans to add to or delete projects and the reason for the proposed changes, in accordance with the following schedule. The Company will submit updates for approved QCPAC projects for that year, based upon information known on a year-to-date basis, from the beginning of the year through the following effective dates, on the associated reporting dates:

<u>Effective Date</u>	<u>Reporting Date</u>
June 30	August 15
September 30	November 15

PENNICHUCK CORPORATION

CORPORATE SECRETARY'S CERTIFICATE

I, Suzanne L. Ansara, do hereby certify that I am the duly elected Corporate Secretary of Pennichuck Corporation (the "Company"), a New Hampshire corporation, and that I am authorized to execute and deliver this Certificate on behalf of the Company. In that capacity, I do hereby further certify that:

1. The following resolution was adopted by the Board of Directors of the Company on January 24, 2020; and such resolution has not been altered, amended or repealed, and is in full force and effect, as of the date hereof:

Resolved: that the revised 2020 Capital Expenditure Budget and 2021/2022 Capital Expenditure Plans, as presented at this meeting, are hereby approved.

2. Attachment A to this Corporate Secretary's Certificate is a true copy of the Pennichuck East Utility, Inc. 2020 Capital Expenditure Budget and 2021/2022 Capital Expenditure Plans presented to the Board of Directors of the Company on January 24, 2020 and approved by said Board.

In Witness Whereof, I have hereunto set my hand this 10th day of February, 2020.

Suzanne L. Ansara
Corporate Secretary
