Application to Renew Registration as a Provider of Electric
Aggregation Service
Staff Recommendation

TO: Debra Howland, Executive Director

On February 24, 2020, Resident Power Natural Gas & Electric Solutions (Resident Power) filed an application to renew its registration as a provider of electric aggregation service. On March 9, 2020, Resident Power filed the correct application to renew its registration as a provider of electric aggregation service. Resident Power's currently-effective registration expires on May 25, 2020.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 2000. Staff therefore recommends that Resident Power's application to renew its registration as a provider of electric aggregation service be approved, effective May 25, 2020, for a term of 2 years.
