Application to Renew Registration as Provider of Natural Gas Aggregation Service

Dear Mr. Johnston:

On March 18, 2020, Elite Energy Group, Inc. (Elite Energy) submitted an application with the Commission to renew its registration as a provider of natural gas aggregation service.

Commission Staff filed a memorandum on March 24, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommended that Elite Energy's registration application be approved for a five-year term, beginning on May 10, 2020.

The Commission has approved Staff's recommendation. Accordingly, Elite Energy's application for registration is approved, effective as of May 10, 2020. The renewed registration is for a term of five years and expires at the close of business on May 10, 2025. Pursuant to Puc 3003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before March 11, 2025.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
