Subject: [EXTERNAL] Confirmation of BFA Board Approval

Good afternoon Larry,

This email is to confirm that on May 18th, 2020 the BFA board of directors unanimously approved the issuance of up to \$75,000,000 in bonds for Pennichuck. As always, final issuance is contingent on approval by the NH Governor and Council (G&C).

The G&C meeting to provide final approval for this bond issuance is on June 24th, 2020 at 10am, and we anticipate an approval. The G&C has always been supportive of the BFA's bond issuances, especially for Pennichuck.

Feel free to reach out if you need any additional information and I'd be happy to provide it.

Regards,

James Key-Wallace
Executive Director
NH Business Finance Authority
