Dear Director Howland:

Enclosed for filing with the Commission in Docket 20-058, please find Public Service Company of New Hampshire d/b/a Eversource Energy's supplemental replacement petition encompassing the following revision to the Petition: Paragraph 8, first sentence – reference to “public water crossings” changed to “the State owned land crossing in Canterbury”. There are no changes to the Exhibits that supported the original filing in Docket 20-058.

Pursuant to the Commission’s notice of March 17, 2020, this filing is only being provided by email.

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,
