Re: DT 20-068 Sprint Communications Company, L.P.

Dear Ms. Howland:

Pursuant to the Order of Notice issued on May 28, 2020, a technical session was held on June 19, 2020, following a prehearing conference. Commission Staff (Staff), and representatives from Sprint Communications Company, L.P., the New Hampshire Telephone Association, and Northeast Deaf & Hard of Hearing Services, Inc., were in attendance at that session.

After discussing procedural and substantive positions, it was mutually agreed that issues relating to the ongoing administration and oversight of the Telecommunications Relay Service (TRS) Fund should be severed from Sprint's request relating to TRS rates and services and addressed in a separate docketed proceeding. On behalf of the parties and Staff, I hereby request that the Commission consider and approve the following procedural schedule for this docket:

Staff Data Requests to Sprint	June 26, 2020
Company Responses	July 8, 2020
Staff to File Recommendation	July 20, 2020

Thank you for your assistance with this request.

Sincerely,

/s/ Eric Wind
