Re: Dkt. No. DW 20-071, Atkinson Area Waste Water Recycling Inc.
Request for Change in Rates—Joint Procedural Schedule

Dear Executive Director Howland:

Commission Staff (Staff) is writing to ask that the procedural schedule in this docket be modified to hold a technical session on April 8, 2021 at 10:00 am, by Web.Ex. The parties reserved this time in a proposed procedural schedule, which was approved on December 4, 2020, although it was not explicitly reserved when that schedule was subsequently modified on February 23, 2021. At this time, the parties wish to keep the June 10, 2021 hearing date, as currently scheduled.

An updated procedural schedule will be filed after the parties' next technical session (proposed for April 8, 2021 at 10:00 am). Atkinson Area Waste Water Recycling Inc., the only party to the above-mentioned matter, assents to the relief requested in this letter.

Accordingly, Staff asks the Commission to approve the proposed procedural schedule to schedule a technical session for April 8, 2021 at 10:00 a.m. though Web.Ex.

Pursuant to the Commission's March 17, 2020 secretarial letter filed in this docket, Staff is making an electronic filing without a hard copy equivalent.

Thank you for your time and attention in this matter.

Sincerely,

/s/ *Mary E. Schwarzer*
