Petition for Approval of Rate Change

Procedural Order Re: Motion to Extend Filing Deadline

On April 20, 2022, the Commission issued a procedural order establishing a May 16, 2022 deadline for the New Hampshire Department of Energy (DOE) to file a copy of its analysis and recommendation regarding Atkinson Area Waste Water Recycling, Inc.'s (AAWWR) November 23, 2021 request for recovery of rate case expenses. After AAWWR filed an updated report on rate case expenses on April 29, 2022, the Commission issued a procedural order dated May 26, 2022 that extended the deadline for the DOE to file its analysis and recommendation to June 10, 2022. On June 9, 2022, the DOE filed an assented-to motion to extend the June 10 deadline to July 15, 2022, stating that the parties require additional time to gather and review relevant information.

The DOE's motion to extend is GRANTED. See N.H. Admin. R., Puc 202.04. The DOE shall file its analysis of AAWWR's request for recovery of rate case expenses and its recommendation regarding that request no later than Friday, July 15, 2022.

So ordered, this thirteenth day of June, 2022.
